

The Sparkling Classrooms Christian Union Built in Kasiluni!

When Jomo Kenyatta University of Agriculture and Technology Christian Union (JKUATCU) went on an evangelical outreach mission in Ngomeni Division, Kyuso Sub County in Kitui County in 2009, they had no idea what awaiting them in Kasiluni: dry and dusty, desolate, poverty stricken area that inspired little or no hope. It was even grimmer for a handful of school children: their dreams for a better life through education, seemed dashed and interwoven with the appalling socio-economic circumstance of Kasiluni area. As the Ukambani winds blew the Kasiluni dust, so did the boys and girls' prospects for a brighter future fade into obscurity. <http://www.jkuat.ac.ke/the-sparkling-classrooms-christian-union-built-in-kitui/>
