

Transformative Innovation needed to drive growth, job creation

Over 50 participants drawn from eight countries in academia, industry and government, converged at JKUAT on Wednesday May 8, 2019 for the University's annual Sustainable Research and Innovation Conference. The event, now in its tenth year, has provided JKUAT a platform to showcase its innovations, while opening new frontiers of collaborations and exchange. <http://www.jkuat.ac.ke/transformative-innovation-needed-to-drive-growth-job-creation/>
